WINTON CUP 2016

This year we had an additional entry from Eastern making a total of 10 teams. John Mason re-scheduled the running order of fights to accommodate this. Disappointed that only a total of 6 persons attended on the Friday evening to help lay out equipment. There was no Leon Paul equipment stand which allowed further storage for bags.

Saturday started slightly earlier and thanks to everyone collecting and returning pool sheets promptly, John Crouch and Mike Robinson input these very efficiently together with separating the mens and womens foil results towards the Frank Mills trophies. Finished by 6p.m.

The Gala Dinner was scheduled slightly later which met with much approval allowing people more time on return to the hotel. In total 133 diners with a 'naughty' table for the late entrant diners. Dinner was excellent with not one complaint. Disco was good and played a good selection that had a lot of people up and dancing. A presentation was made to David Sweeney in recognition of all his work for BVF, particularly for organisation of the European Team Championships with him and his wife, Susan, being guests of the BVF.

Sunday was again a slightly earlier start. This time as soon as a piste was finished with volunteers helped take up and pack the equipment so that everything was completed by

4p.m. South East were the winners of the Winton Cup. Mrs. Betty Mills presented the mens foil trophy to Adrian Griffin and the ladies trophy was awarded to Sheila Anderson. Marcia Stretch, Organiser, presented a bouquet of flowers to Mrs. Mills,

My thanks, as always, must go to Peter and Janet Huggins who provided the Armoury and help with laying out the equipment. John Mason for taking the team and dinner entries as well as the admin. John Crouch and Mike Robinson for the DT and Gillian Aghajan for her work on the Dinner.

The venue has been booked for 2017 but again, we can only have the dates of 23/24th September owing to previous bookings despite trying to place a booking in June 2016! The change of date this year did, however, prove popular with a large number of people as it was being used as a warm-up prior to the world championships.
