5) Treasurer's Report

All members have been sent a copy of the Annual Accounts for 2010.

John Mason reported that the Accounts have been examined by Diane Austin and agreed.

He pointed to the increase in referees expenses because of changed circumstances. He had contacted members during the year to ask them to update their standing orders to reflect the increase of membership fee from £10.00 to £15.00. He reported that a large percentage had failed to do that, resulting in increase work chasing up the additional subscriptions.

In response to a question to the floor, he also clarified that the figure of £981.00 spent on T shirts which had been written off in this year so all sales would show as profit in future accounts.

John thanked Sonya Mason and Diane for their help.

The Annual Accounts were accepted (proposed by Bob Turner, seconded by Mike Norfolk and passed unanimously).

6) Secretary's Report

The Acting Secretary Apologised for forgetting that a report was required and could only verbally report that the Age Group Championships had occurred in his watch and appeared to have gone off well. He also said that his task had been greatly lightened by other members of the committee taking on tasks that would normally fall to the Secretary for which he thanked them. Acceptance of his report was proposed by Frank Mills and seconded by Gillian Aghajan and passed nem con.

7) Membership Secretary's Report

Statistics at 31/12/2010

This shows a distinct bias to the Cat 1 so we seem to be successful in attracting younger fencers.

Membership by Home Country

ENG	WAL	SCO	NI	CI	IOM	None
408 (391)	44 (45)	26 (22)	13 (14)	7 (7)	1 (2)	32 (28)
76% (76%)	8% (8%)	4% (4%)	2% (2%)	1%	<1%	5% (5%)

Statistics at 3/3/2010

The membership today is 462. Of these there are 17 New members. These figures are almost exactly the same as this time last year.

90 Members from 2010 have not renewed. (Final Reminder has been despatched). This is significantly higher than last year when 59 members had not yet renewed. One member has died, John Gover. Others who have contacted me have stated injury, health and other interests as reasons for resigning their membership. We may not reach last years membership of 531.

93% of the membership claims an email address (last year 92%)

62% of the membership paid by Standing Order (the same as last year).

The membership fee went up last year and while we have 62% of the membership paying by standing order the majority did not amend their payment. This has resulted in a lot of extra work. If anyone has a better way of running membership would they please tell me about it.

National Championships

The entry for the National Championships has varied over the last 6 years as follows:

Year	2011	2010	2009	2008	2007	2006
Entry	175	167	132	177	156	142

John highlighted some of the statistics given below.

Acceptance of his report was proposed by John Norrie, seconded by Alan Ault and passed unanimously

The meeting closed at 21.10.
