ENGLAND VETERANS FENCING

Commonwealth Championships

The Commonwealth Veterans Championships are being held in Toronto, Canada on 13-15 July 2007. The Canadian Fencing Federation has put in a lot of effort to make this an event not to be missed. It has been officially recognised by the Commonwealth Fencing Federation and all medals will be official Commonwealth Federation medals.

There is an excellent website at www.vet-fencing.com. This has regulations, venue, entry and accommodation details.

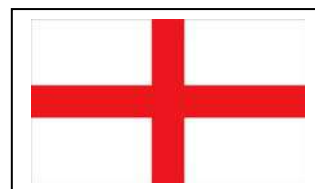

All England entries need to be sent through England Fencing. Would all fencers please enter themselves for the individual events through the website but send me details of their entry and I will liaise with England. The team entries will be dealt with at the competition. Selection for the England team will be by performance on the day.

Return flights to Toronto cost around £350 and are the responsibility of each fencer.

Accommodation is around £50 per night for a double room and can be booked on line through the website. However, a booking code is required and this has not yet been made available. Anyone requiring the booking code should contact me nearer the middle of May.

We are in the process of ordering England tops. These should be available by the end of May at a cost of about £20. Details will follow in the next newsletter.

Speedy Recovery: To Mike Norfolk

I understand that Mike Norfolk is recovering from major surgery just now.

GB vets would like to send him their best wishes for a speedy recovery and a return to fitness.

...'caus to not know there's a pickpocket about : Simon Hartley!!!

“No, that’s a Fencer-Not a Post Box!”

Simon obviously didn’t go to the Fagin School for pickpockets....

Point in line?

Celebrity Fencers: A rare public appearance for the man behind Basil Brush

No, wrong, it's your left arm in, your LEFT Arm out, and then the okey cokey

Sports Psychology:
Lesson 3. Psyching your opponent

Editors Favourite:

The tracksuit bottoms were very comfortable but the test fencer reported that the braces were a little too powerful.

The NVA Christmas Gala Dinner Event

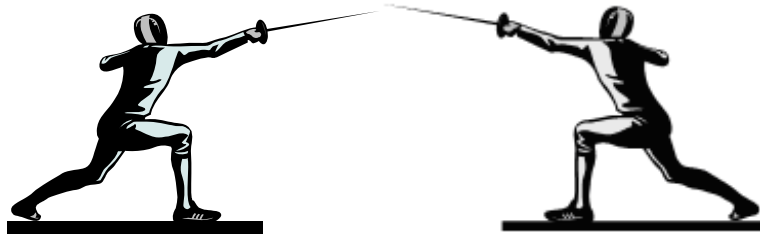

This year, the Christmas Gala Dinner is being held at a new venue and on 1st December (not 24th November as previously stated).

The hotel that hosted the 4 Nations match dinner at Wrexham earlier this year was excellent in terms of both the high standard of the food and accommodation, and it has therefore been selected for our festive event.

The facilities in this hotel include a Spa, Sauna and Mini Gym, and special rates have been negotiated for the accommodation too.

Wrexham offers good shopping and by having the event here this year, we hope to attract many fencers from Wales, the Midlands and North to join the regulars who always enjoy this traditional get together during the festive season.

The Unisex fencing competition will also be held in the hotel on the Saturday followed by the dinner, and full details will be published later in the year.

Well Done Well Done Well Done

Top Half or Last 32!!

We make great efforts to trawl the results for your name. But as our membership grows this is a huge job! Most organisers do not send us the Veterans results.

So to ensure that YOUR result is in the newsletter please email Linda.lawes1@btinternet.com or phone 01235 530 090.

Omitted in Error: Thanks and well done to Anthony

I am a new member of the Vets and would like to boast of my wholly unexpected placing at Birmingham 2007, where I may have been the highest ranked Sabre vet at 35th. I also made it clear at registration that I was a proud member of the vets.

Forgive my burst of ebullience but the gods were smiling at me that day and I wish to stake my claim to fame for the brief moment that it lasts.

Do you know of any hilltops' that I may shout it from!!!

PERSONAL PERFORMANCE SESSIONS AND SPORTS PSYCHOLOGY LECTURE

These will take place at the Sports Training Village, Bath University, Claverton Down, on the weekend of 16th/17th June, alongside the Bath Unisex Sabre and Foil.

Jonathan Katz, Professor of the British Academy of Fencing, sports psychologist and professional coach, will give the lecture and run the sessions. They will be aimed at adult fencers with some experience and a keen interest in competitive fencing.

There will be a limit of 30 for the lecture and 24 for the Personal Performance, so book your place now!
