Please briefly outline any skills or abilities that you feel you would bring to the post(s) for which you are being nominated and what you would like to achieve as a member of the BVF committee.

These may be published/announced during the election process.

I have been an active Veteran fencer for 25 years.
When I first joined the focus was on fun and competition and most events used to combine both.
Over time the organisation has grown not just in Britain but Worldwide with a focus on success on the international stage and selection events.
I would like to see more opportunities for fun events which could cater for all Veterans both new to the sport and old hands.
I fence sabre and epee and occasionally foil and am aware that a one size fits all approach to competition doesn't always work .
I would like to think I'm flexible and prepared to work hard on the committee.

Date: 2nd March 2023
