Please briefly outline any skills or abilities that you feel you would bring to the post(s) for which you are being nominated and what you would like to achieve as a member of the BVF committee.

These may be published/announced during the election process.

As a Board member, it is my aim to promote the wishes of the wider BVF membership and ensure that the Board remains relevant.

I believe that, with my interaction style, and the relationships I have built over time within the fencing community, I have the opportunity of being a valuable voice in shaping a committee that veteran fencers will be happy to be associated with.

Whilst not reaching the giddy heights of some of our veteran athletes, I have been active on the competitive circuit for well over 10 years. In that time, I have contributed to England and South Eastern victories at several Home Nations and Vets Winton events. I am also a well-respected FIE (Epee) referee.

My close relationships with referees and competition organisers within the international fencing family means I can use these experiences to further enhance the progress of the BVF as we continue to develop.
