Please briefly outline any skills or abilities that you feel you would bring to the post(s) for which you are being nominated and what you would like to achieve as a member of the BVF committee.

These may be published/announced during the election process.

I have been on the Committee for a few years now, first as an ordinary member and then as Membership Secretary. I would like to put myself forward for the role of Secretary, because I think I could do a good job. My profession requires me to take minutes, in which I try not just to record the facts, but also the flavour of the meeting, so that someone who wasn't there can really understand what is happening.

I have always championed those BVF members who take part in our veteran events but whose goals aren't qualification for the GB squad, but rather to enjoy competitive fencing within their peer group and also to experience the social side of vets fencing. This is the ticket on which I stand.
