I have been involved in the organisation of fencing committees & clubs for many years and am keen to continue to give back to this fantastic sport now that I have progressed into the very exciting world of Veterans Fencing. My role in the Army has given me a lot of organising events and I have used this to help run fencing comps from small Army events through to helping with the computers at the London 2022 Commonwealth Champs.

In my first year in the BVF, I have thoroughly enjoyed the welcoming atmosphere for all from the newest novice to the most experienced fencer and I would love to be involved in continuing this great ethos going forwards.
