When entry numbers are known, the timetable for the events will be confirmed. However, the day for the events will be unchanged.

Format: The aim of the competition is to ensure that everyone gets a decent amount of fencing by altering the formats and merging categories where needed. The exact format or each category will be published shortly after the closing date once entry numbers are known. The format will depend on the number of competitors in each category. Therefore, the format may be different across the events.

For those categories with 12 competitors and less, the format will be a poule unique with no DE. These poules may have fights to more than 5 hits in order to maximise the fencing opportunity and categories maybe combined if numbers are low.

For those categories with more than 12 competitors the format will be poules followed by DE.

Entry Fee: One weapon: £45 | Two weapons: £75 | Three weapons: £90
