Due to restricted time the Committee only discussed the urgent matter of the Bard's Bash

The Bard's Bash

Entries are very low. The following improvements to the entry system were suggested in an attempt to boost interest:

1. Put a link to the entry form on the front page of the website.
2. Send email / Facebook post advertising the event.
3. Offer camping in GP's garden and advertise the Castle Inn as a place to stay.
4. Promote the handicap system.

It was decided to give it until 15 June to see whether there are sufficient entries to make the competition viable. Chris Buxton to make the ultimate decision as he is running the event.
